

Bike Rack, R-8224-EM

General Description:

The R-8224-EM Circular Bike Rack offers a narrow design, making it suitable for sidewalks and other pedestrian areas. The round, ring-shape offers 2-point contact with bike frames to avoid tipping-and is long enough to accommodate a U-lock or cable through each tire and bike frame. Install circular bike racks in series for custom, high-capacity bike corrals. Circular bike racks are made from carbon steel and feature durable powder coatings to prevent corrosion and wear. Select from 1 of 6 custom colors. Embedded in-ground mountings for new concrete installations.

Specifications:

Height: 32 1/2"

Cross Span: 35 1/2"

Weight: 36 lbs

Material: Steel

Finish Options:

- ✓ Polyester Powdercoated
- See Reliance Foundry's standard color options at www.reliance-foundry.com/bollard/colors-bollards

Notes:

- Embedment details are for reference illustration only. Minimum foundation sizes depend on local soil conditions, weather conditions and engineering requirements.
- Bike rack is provided as shown with parts listed below. Concrete foundation and/or installation not provided by Reliance Foundry.
- This drawing is not drawn to scale. Dimensions provided herein are for reference only. Please consult Reliance Foundry sales professionals if any dimension is critical to your particular installation.
- Reliance Foundry reserves the right to amend design and specifications without prior notice for product improvement.
